EOQ Presidential Georges Borel Awarding 2021 – online, September 15th, 2021

The European Organization for Quality (EOQ) has celebrated the recipients of the **EOQ European Georges Borel Award 2021** on an online celebration event, **on September 15th, 2021**.

The Georges Borel Award has born from the idea that the development and the promotion of the European Quality Movement is done by outstanding individuals who spend their time and energy in sharing their beliefs and knowledge for the benefit of the European Society.

The **recipients of the 2021 EOQ Presidential Georges Borel Award** are **Mr. Konrad Scheiber** and **Mr. Udo Hansen** - **awarded with the EOQ Georges Borel Award for European achievements** for being at the edge of the development, use and diffusion of quality in Europe through their professional activities and behaviors and thus they have not only brought an outstanding contribution to the realization of EOQ mission at European level but also personally contributed to the development of the European Quality movement.

Konrad Scheiber (CEO of Quality Austria and former EOQ 1st Vice President) and **Udo Hansen** (former president of DGQ/Germany) are exceptional visionary and clear minded strategic leaders.

Their contribution to the EOQ strategy and transformation process have documented them to be exceptional, visionary, and capable leaders. It is not only an occasion for EOQ to appreciate the organization's value for its future, but also an occasion for EOQ to present its world class leaders for the global Quality community. The results of their visionary and strategic minds will contribute to the EOQ development for many years to come. This awarding is also intended to show EOQ's gratitude to these two very well-known professionals that have set the path for the EOQ strategic directions and ensured its emerging realization.

EOQ Georges Borel Award recognizes individuals who have brought an outstanding contribution to the EOQ mission, who is: "Improve European society through the promotion of Quality in its broadest sense". The European Organization for Quality wants to show them recognition and to thank them for their contribution.

The European Organization for Quality (EOQ) associates more than 70,000 members and 500,000 companies within its member and partner organizations in Europe and worldwide. EOQ is the European interdisciplinary organization striving for effective improvement in the sphere of quality management as the coordinating body and catalyst of its Member Organizations aiming to improve European society through the promotion of Quality in its broadest sense.
