IAF/ILAC/ISO Joint Survey

2021-07-09

IAF/ILAC/ISO Joint Survey on Remote Audit/Assessment/Evaluation Activity: Closing Date 8 August 2021

Dear CASCO Members,

The pandemic has seen a rapid take-up of remote techniques for audit, assessment and evaluation.

IAF, ILAC and ISO have worked together to produce a survey to better understand the views of the conformity assessment community and those that rely on the results of conformity assessment, on the use of remote techniques for audit/assessment/evaluation activities.

We ask that you please complete the survey for your own organisation and/or as an individual carrying out a remote activity, and share the survey link with your customers, stakeholders and any others you feel may wish to contribute information for this survey. Please also encourage these groups to share as appropriate, e.g. CBs forward to their certified organisations, forward to your national mirror committee members and your appropriate stakeholders.

The survey will run until **8 August 2021**.

The survey can be accessed via the following link:
