

SLOVENIA – **SZKO** – Slovenian Association for Quality and Excellence :

The Slovenian Association for Quality and Excellence (SZKO) connects and inspires more than 600 members. **We have been promoting and implementing a culture of quality and excellence since 1991.**

As members of the world's leading quality associations – EFQM and EOQ – we are a crossroads of the most advanced international practices. We are a recognizable and trustworthy partner who makes an important contribution to the overall development of Slovenian society.

The Slovenian Association for Quality and Excellence (SZKO) is organizing the Annual Conference this year as well. **This year, the conference celebrates its 30th anniversary. The conference will be on 10. and 11. November at GH Bernardin in Portorož.** It is the largest and most resounding event in the field of quality and excellence in Slovenia, which is attended by more than 300 participants every year.

The jubilee magazine Quality will also be published in November. It is a unique professional magazine in Slovenia in the field of excellence and quality. It encourages the development of visionary thinking and theoretical discussion. It transfers knowledge among the members of the association and connects them.
